CALL FOR EXPRESSION OF INTEREST UPGRADING OF MUSEUM IT NETWORK CABLING

The Luthuli Museum intends appointing a suitable qualified IT network solutions service provider to upgrade the organisation's IT network cables from CAT 5e to CAT 6 and connect to the network server. The cabling project will link the four (4) buildings on site and is intended to enhance the operational efficiency of the Museum in terms of its business processes, e.g. high speed connectivity and bandwidth.

Purpose of this EOI process is to compile a database of CSD Registered suitably qualified or interested contractors to undertake the IT network cabling project. A task directive or detailed specifications will be sent to the interested service providers responding to this EOI.

Scope of Works

The project in brief will include: (1) Replacement of CAT5e network cables with CAT6; **(2)** Using existing trunking or providing additional trunking for the new cables; **(3)** Replacing old network points with new ones; **(4)** Verify and test newly installed network cables; **(5)** WIFI installation; **(6)** Develop a network diagram.

Please note: Service provider must submit applicable installer certification in compliance with industry standards

DOCUMENTATION REQUIRED FOR THE SUBMISSION OF THE EOI
